FIRST GRADE

SKILLS

TRICKY WORDS

This pack includes CKLA Tricky Words for first grade. In the lower-right corner of each word card you'll see the lesson that the word cards are associated with. EX: 1.1.3: 1 for first grade, 1 for unit 1, and 3 for lesson 3. This makes it easy to organize the cards by lesson if you choose.

I print these on cardstock, laminate, and then apply magnets to the back so I can place them on my magnetic easel.
